Subject: April 20 Program Review slides

Hello, everyone,

Attached please find the slides PRD staff has drafted for next week's Program Review meeting, for your review and comment. The CRMs, TLs, and SRAs were extremely helpful (and prompt) with their input.

We had a little prep meeting today to go over the slides, and we discussed who would present. It is the group's wish that CRMs brief on their individual slides--is that ok with you all? Please note:

- [REDACTED] AD has provided a slide.
- [REDACTED] Rosaura plans to present for the pyrethroids/pyrethrins
- [REDACTED] Slides include comments directed to Marianne, Ricardo, Rosaura, and Christina (for input from their teams)—we'll include their answers when we make revisions based on your comments.

Thanks,

Jill, Melanie, and Tom
